

Ceto Linear Wall Light

Ross Gardam

Ceto captures the variation and rippling of the surface of the ocean. The collection explores the deep relationship between light and the ocean in a range of mesmerising luminaires. Each piece reflects a distinct pattern emitting a delicate luminosity, which embodies the presence of the sea and the power within its undulating movements.

The linear wall luminaire is available in a selection of mouth-blown glass finishes combined with a highly refined machined aluminium body available in a black or champagne anodised finish.
