

Lopez Chandelier x3 (Pair)

Scott Daniel Design

The Lopez Chandelier by Scott Daniel Design. This fixture was designed to fill the voluminous space. Referencing the mobile as a chandelier, ceramic diffusers of different shapes and sizes were carefully positioned to balance in space. As a group, they evoke a sense of movement as your eye follows the unique patterns of light emitting from the various shapes.

Starting at: $55,250

32”Dia. x 34”H each.
