

Torpedo Sconce

Skram

Torpedo is an LED driven wall-mounted fixture. The main body is bronze. The end cap and hang bar–with joinery that references the traditional woodworking that defines Skram's products–are gunmetal steel. Light emanates from slots on the front and sides. The rear is fully machined-out and diffused, resulting in the soft illumination of the wall. Professional installation required.

Starting at: $3,504

2" W x 2" D x 19.38" H - 4'' Projection from wall - 6''Ø Cover Plate
