

Aeris Linear Chandelier Small

Ross Gardam

Inspired by the ethereal beauty of clouds, Aeris embodies softness and lightness through the repetition of sculptural forms, crafting an ethereal centerpiece. Each mouth blown glass cloud is paired with architecturally crafted brass bars that cross and lightly kiss together, evoking a sense of weightlessness—as if suspended in air.

Available in four distinctive tones, each variation transforms the fixture's presence in a unique way: a soft white glow, the warmth of the morning sun, the subtle shimmer of a silver lining.
