

Aeris Wall Light

Ross Gardam

Inspired by the ethereal beauty of clouds, Aeris embodies softness and lightness, crafting an ethereal wall light. Each mouth blown glass cloud is paired with an architecturally crafted brass wall canopy.

Available in four distinctive tones, each variation transforms the fixture's presence in a unique way: a soft white glow, the warmth of the morning sun, the subtle shimmer of a silver lining. Every cloud carries its own delicate texture, formed naturally in the glassblowing process, diffusing light into a gentle, ambient glow.
