Arbour Pendant Light

Ross Gardam

Arbour is a continual solid timber piece, crafted to unite space and celebrate the beauty of the natural. Featuring a linear, streamlined profile, this unique timber light creates the perfect downward luminosity, enhanced by raw materiality in its finest form. Defined by the divergence of two curves that flow along and around the product, Arbour is machined from solid timber, providing the perfect tactile shell for an ambient, intimate glow.

Arbour is manufactured from sustainably sourced
