

Astral Projection 2

Daniele Albright

The Astral Projection series consists of interlocking forms that reference mid-century architecture but make a subtle contemporary update to the classic geometries, focusing on the idea of sliding planes and shifting reflective surfaces rather than the solidity of fixed forms.

Available in Satin Bronze (shown) or Pewter Mirror

Debuted at FOG Design+Art 2018.

Starting at: $28,000

59" x 40" x 12.5"
