

Ceto Floor Lamp

Ross Gardam

Ceto captures the variation and rippling of the surface of the ocean. The collection explores the deep relationship between light and the ocean in a range of mesmerising luminaires. Each piece reflects a distinct pattern emitting a delicate luminosity, which embodies the presence of the sea and the power within its undulating movements.

The Ceto Floor Lamp proudly stands upright with a singular, solid aluminium body connecting multiple Ceto luminaires to create a tranquil glow within any space.
