

Counterpart

Tom Price

Commissioned by the Duke of Devonshire for Chatsworth House,
Counterpart comprises two contrasting blocks. One a dark, lightabsorbing block of coal referencing the 18th Century coal tunnel mines
owned by the Devonshire family. The other a translucent, crystalline, and
glowing cast resin block that evokes the extensive mineral collection
begun by Georgiana, Duchess of Devonshire, in the 18th Century.

\$70,000

Each block: H: 17.7" x W: 13.7" x L: 86.6"
