

Drift-In Drift-Out

Established & Sons

Drift-In Drift-Out is a natural evolution of the Drift bench. I wanted to use the same conceptual language of the piece of found driftwood on these much smaller scale, versatile, modular pieces.' Amanda Leveté.

Easily moved about, these smaller curved two-seater benches can be used singularly or positioned together in numerous configurations.

Starting at: \$18,800

54.72" length x 23.2" depth x 15.75" height, seat depth 15.75"
