

FKA Themis Table Light

Bec Brittain

FKA Themis draws inspiration from Victorian balancing toys, a concept reflected in the gentle rocking motion of the FKA Themis 27 and 68 sconces. Over time, the FKA Themis line has evolved, exploring and refining its signature shapes and materials. The FKA Themis Table lights, in particular, showcase a unique design with a stacked double-cone glass diffuser resting on a stone base. The adorned version is especially distinctive, featuring a delicate chain net that wraps around the diffuser, evoking both the ruggedness of industrial safety lights and the elegance of fine jewelry, creating an ambiance that nods to boudoir aesthetics.
