

Float 1.0 Pendant

SkLO

Spheres of handblown Czech glass with molten, organically shaped open mouths on the underside. Suspended on rigid brass tube stems, the Float Pendants are blown without the use of moulds, so that the spherical shades are intentionally imperfect in their form. These details allow for the minimal design to show its handmade nature – no two exactly alike.

Made in the Czech Republic

Starting at: $1,7

Leadtime: 8-10
