

Glow Sconce

Pelle

The Beam and Glow Collection is a series of vertical and horizontal light structures that combine vibrant colors with formal abstraction to create an immersive lighting experience.

Inspired by the pure expressions of 'objecthood' found in the Minimal Art movement, the Beam and Glow Collection explores the nature of color, light, scale, and context. Each light features an optical grade

and expansive colored light to create an impactful, yet unobtrusive, environment.

Starting at: \$2

The Beam and Glow Collection is available in a variety of sizes and can be wall-mounted, flush-mounted or ceiling-suspended. The amber and rose lens colors draw inspiration from the diffusion of city lights – each hue has an enveloping depth that is at once soothing and contemplative.
