

Half-Round Sconce

Scott Daniel Design

The Sconce Wall Light by Scott Daniel Design. A simple form with a subtle twist, the hallway classic just got a lot more interesting. Using half inch mesh layered over one by two inch mesh, which never align perfectly, the pattern of holes and light changes from one side to the other; and no two patterns are the same.

Starting at: \$4,400

9"W x 20"H x 6"D
