

Luna 1 Tier Chandelier XL

Gabriel Scott

The Luna Chandelier 1 Tier XL is the longer version of Gabriel Scott's original Luna 1 Tier Chandelier, with the same glass beads and metal finishes available.

The Luna XL 1 Tier Chandelier is a glamorous reference to the moon's diffused light and soft glow. Allusive yet glamorous, the Luna Series is a new tradition in glass-work and light form.

Starting at: \$9,940
