

Luna 3 Tier Chandelier

Gabriel Scott

The Luna 3 Tier Chandelier is a modular lighting system which provides an impressive synergy of shape, colour and refracted light. Standard finish options include black steel, satin brass, copper, nickel or bronze with matching glass beads.

Starting at: \$19,625

The Luna 3 Tier Chandelier is a triple height horizontal light fixture. Highly customizable, a variety of colour glass beads and metal finish options are available.
