

Luna A Small Disc Pendant

Gabriel Scott

In keeping with the tradition of exquisite craftsmanship for which the Gabriel Scott studio is known for, the Luna A Series paves the way for an innovative approach to accessible luxury. The Luna A Small Disc Pendant is a popular choice for hanging above a breakfast bar or dining table, or as part of a cluster of other Luna A pendant lighting.

Warm copper, espresso, grey and variations of rose glass play beautifully with customized metallic elements to create the beautiful Luna A Small Disc Pendant.
