

Luna Kaleido XL 1 Tier Chandelier

Gabriel Scott

The Luna Kaleido XL 1 Tier Chandelier offers a longer length alabaster white glass tube compared to the standard Luna Kaleido 1 Tier Chandelier. Glass bead shape, texture and color options remain the same for both lighting fixtures.

Combining soft iridescent colors with patterned textures and delicately shaped glass beads, the Luna Kaleido Collection effortlessly brings together smoked gray, smoked bronze, opaque pink, opaque blue, opaque white and clear colored glass with six new textures and shapes.
