

Luna Kaleido XL 2 – Tier Chandelier, Option A & B

Gabriel Scott

Like a kaleidoscope, the Luna Kaleido XL 2 Tier Chandelier plays with texture, color and shape to distort light and create magical optical illusions when looking through the glass. Option A comes with a Dorado, Orion, Carina and Cygnus glass bead configuration.

Starting at: \$19,300

98.52" x 22.71" + Drop

The Luna Kaleido XL 2 Tier Chandelier is highly customizable light fixture. Six shapes, six textures and a variety of soft iridescent mouth-blown glass beads are available, along with satin brass, copper, nickel, bronze or black steel metal options.
