

Lure Sconce

Pelle

Lure transforms a flower's transient beauty into a lasting light. In this fixture, a cast paper flower is spotlit by a suspended LED light source. Held by a slender brass arc, the light shines brightly on a blossom built of hand-sculpted petals, displaying texture, structure, and delicacy. The white flower reflects light, providing a source of soft illumination.

The Lure Sconce uses cast cotton paper flowers that are sculpted by hand in our studio. Each blossom's petals are individually shaped and each
