

Mangrove Table Tall

Scott Daniel Design

The mangrove series takes direct inspiration from the natural formations of trees and shrubs seen in tropical and sub-tropical estuaries. I have always found beauty in the scraggly roots of these trees, and have immense appreciation for their adaptation to live in harsh conditions and ability to blend and mix environments. For this design, wire mesh is manipulated by hand to replicate the organic formations of the trees and roots.

Starting at: $7,740

Leadtime: 14-16 Weeks

Shipping from New York

Mangrove 12 Dims.: 12” Dia x 23" H
