

# Méne Pendant Light

**Ross Gardam**

**Me´ne celebrates our sense of awe with the celestial. The objects appear like a lunar apparition, delicately floating in mid-air. Crafted with mouth blown glass, the collection reveals the individual and unique texture of subtly illuminated glass. Me´ne's rippled form is the result of the studio's continual experimentations with traditional optic glass blowing techniques and innovative engineering. The result is a one of a kind glass texture within every luminaire produced.**

**Each glass shade is mouth blown in Australia and hand assembled in our Melbourne based studio. The Méne pendant is available in a selection of mouth-blown glass finishes combined with a highly refined champagne anodised machined body.**
