

## Nebulae Wall Light

**Ross Gardam** 

The Nebulae collection takes its name from the natural phenomena of interstellar clouds and their dynamic layered lighting effects. Featuring geometric machined forms coupled with fluid glass discs, Nebulae creates a harmonic balance between the elements. The striking glass diffusers combined with a light source that is both functional and ambient creates a beautifully unique luminaire.

The Nebulae Wall Light is a statement in any space, offering an exquisite adjustable light level. The wall light can be specified with a single glass disc or layered with an additional disc to create expansive light dispersion options. The body is manufactured from spun aluminium, champagne or Starting at: \$555
