

## Petra 1 Column

Christopher Boots

PETRA (from the Greek word [πέτρα](#), meaning stone) celebrates the complexity and subtleties in the material composition in Quartz that PETRA is made from.

Starting at: \$10,179

PETRA I COLUMN presents a striking wall-mounted addition, reflecting the studio's enduring fascination with quartz.

As a material prized for its mythic origin, its strength and its lustre, quartz has long been used to articulate sacred objects, including amulets, jewellery and decorative objects. The ancient Greeks believed quartz was eternally frozen ice, miraculous because it was divinely forged.
