

Solace Table Lamp

Ross Gardam

Solace is a luminous glass tear that transforms with movement, revealing two distinct identities in light and form. Through the exploration of geometric form, the interplay of two perpendicular, intersecting circles serve as the foundation for this intricate composition.

Each glass shade is crafted in Australia and hand assembled in our Melbourne based studio. This sculptural table lamp is available in a selection of mouth blown glass finishes combined with a highly refined brass body in brushed natural, bronzed or blackened brass.
