

Themis 68 Sconce

Bec Brittain

FKA Themis draws inspiration from Victorian balancing toys, a concept elegantly embodied in the gentle rocking motion of the FKA Themis 68 sconce. This piece balances on a central brass hub, with double-cone hand-blown glass diffusers acting as counterweights. The triangular marble support bracket provides both material and formal contrast. With its elongated dimensions, this sconce is ideally suited for placement above a bed's headboard.
