

Tibur Table

Paolo Ferrari

Named after the ancient Roman city where travertine had quarried for centuries. Carved from solid travertine, the Tibur Table is an exploration of ancient materiality and expresses permanence and longevity. Its material allows for a multi-purpose function that can live both indoor and outdoor. Offered in 4 different travertines.

Shown in carved Travertino Classico.

Starting at: \$59,000

Leadtime: 6-10 Weeks
