

Tribe 1 Side Table

OKHA

TRIBE transmits primal resonance within a polished surface, but its character is strikingly organic.

The base of each design is a stacked system of brutalist simplicity and mass, topped with a horizontal plane for the tabletop or seat. Running throughout all designs is a perfectly carved banded motif of pyramidic studding, emblematic of tribal markings, carvings, body scarification and also of Punk paraphernalia and hardware.

Starting at: $3,000

Leadtime: 16-18 Weeks
