

Welles Glass Long Chandelier 20

Gabriel Scott

Using the language of fashion to frame architecture, Scott Richler calls lighting the must-have handbags of a collection. At the heart of Gabriel Scott's collection is the Welles chandelier, composed of glass cuboctahedron pieces. To learn more about Welles Textured Glass, visit the product page or get in touch with our team.

Composed of glass cuboctahedron pieces, the Welles Glass chandelier offers an interconnected silhouette in horizontal, vertical, and diametric applications in either alabaster white or smoked gray glass and various metallic finish options.
