

Welles Glass Long Chandelier 24

Gabriel Scott

Handmade in Gabriel Scott's Montreal studio, the Welles Glass chandelier brings together the finest materials including soft, frosted glass and satin metallic prongs to create a beautiful jewel-like lighting fixture for any interior environment. Textured Glass is the latest addition to the finishes available for our Welles Glass series, please get in touch for further information and options.

As standard, our Welles Glass series runs from 6 modules to 30 modules. You can however customize the lighting fixture to scale it larger or smaller or via horizontal or vertical applications. Our design team will be happy to assist with drawings and samples to help you make a decision on what
