

Welles Glass Long Chandelier 24 by Kelly Hoppen

Gabriel Scott

The overall form has been scaled down from its original size to create an elegantly delicate aesthetic. The Welles Long Chandelier 24 by Kelly Hoppen contrasts this small scale with the enhanced length of the fixture.

Kelly Hoppen's capsule collection comprises of three different sizes of Long Chandelier, a Pendant light, a Single Sconce suitable for both wall and ceiling installation and an Arm Sconce.

Kelly has focused on the materials and scaled the size down to create an elegant overall appearance. It is wonderfully delicate yet maintains the same sense of movement as the original Welles fixture.
