

Welles Glass Long Chandelier 28

Gabriel Scott

Handmade to order in Gabriel Scott's Montreal studio, select one of our standard Welles Glass chandeliers you see on our website, or get in touch to discuss how you can customize the fixture should you need something more tailored. Alabaster white and smoked gray are the two standard glass options, or textured glass is an alternative option of three colors and three textures which you can mix and match across the 28 modules of this chandelier.

Discover how our products are made in the How It's Made section which includes video interviews with our Founder and CEO Scott Richler and our Head of Design Nicolas Pomerleau.
