

Welles Long Chandelier 16 by Sybille de Margerie

Gabriel Scott

The Welles Long Chandelier 16 by Sybille de Margerie floats effortlessly, adding a sense of movement and dimension to any space. The capsule collection comprises a Long, Central and Vertical Chandelier, as well as a Triple Pendant and Single Sconce.

As a contrast to the original Welles sharp metal and glass silhouette, Sybille has created a new interpretation revealing the feminine side of her signature design style.

Couture-inspired, elegant and smooth, her piece shows a gradient composition from emptiness to fullness, with a variation of hollow and plain shapes. Sybille has used padded leather to create a subtle 3D effect
