

Welles Steel Central Long Chandelier 28

Gabriel Scott

The Welles Steel Chandelier is the original fixture within the Welles collection. Since its launch the collection has introduced further options including Welles Glass, Welles Textured Glass and Welles Reimagined. Discover all options via the Lighting page.

late nights finally delivered a geometry that allowed us to build seemingly infinite configurations with the repetition of a single module. The Welles uses the repetition of a single module, it's form is known as a Cuboctahedron – a platonic solid that, thanks to its geometry, tessellates in space in a way that generates very organic arrangements.
