

Welles Steel Central Long Chandelier 30

Gabriel Scott

The longest standard Welles configuration, the Welles Steel 30 Long Chandelier is a real showpiece for any residential or hospitality project. Please get in touch if you require a longer option or would prefer a vertical or other configuration.

The Welles Steel Chandelier is the original Welles lighting fixture created by the Gabriel Scott studio. It's available in either white or black steel and either satin brass, copper or nickel metal finishes.
