

Welles Steel Central Long Chandelier 6

Gabriel Scott

The Welles Steel 6 Long Chandelier is the shortest Welles configuration available in our standard product series. Designed as a modular system, the Welles expands into larger configurations and can be customized upon request. Available in black or white steel and various metal finish options.

Available in black or white steel, satin brass, satin copper, or satin nickel, the Welles Steel Chandelier is highly customisable and can be scaled to various shapes and sizes.
