

Welles Triple Pendant by Sybille de Margerie

Gabriel Scott

The Welles Pendant by Sybille de Margerie demonstrates a more rigid structure, highlighting the intricacy of the modules design. The capsule collection comprises a Long, Central and Vertical Chandelier, as well as a Triple Pendant and Single Sconce.

As a contrast to the original Welles sharp metal and glass silhouette, Sybille has created a new interpretation revealing the feminine side of her signature design style.

Couture-inspired, elegant and smooth, her piece shows a gradient composition from emptiness to fullness, with a variation of hollow and plain shapes. Sybille has used padded leather to create a subtle 3D effect
