

Wings of Pegasus (Pendant + Sconce)

Christopher Boots

WINGS OF PEGASUS, a captivating lighting series echoing the winged form of divine stallion, Pegasus, and the glittering qualities of its constellation.

Starting at: \$23,000

The collection recalls the story of Pegasus, the offspring of the gorgon Medusa and the sea god Poseidon. Associated with the Muses, the goddesses of the arts and inspiration, Pegasus was said to have created a namesake constellation by striking the ground with its hooves, inspiring the astral expression of the collection.

First created exclusively for the Hermès holiday vitrines in New York, WINGS OF PEGASUS is now available in pendant and sconce iterations as
