Welles by Kelly Hoppen CBE

Small Sconce

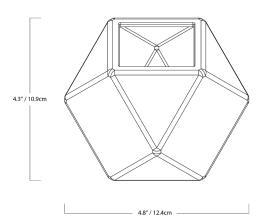

in Satin Brass & Matte White Clay

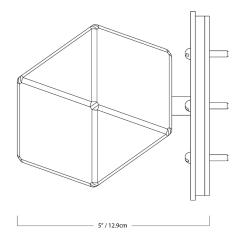

Crafted from white clay and complemented by satin brass, Kelly's reinterpretation is inspired by a collection of ceramics that she is currently designing. Kelly has focused on the materials and scaled the size down to create an elegant overall appearance. It is wonderfully delicate yet maintains the same sense of movement as the original Welles fixture.

The overall form has been scaled down from its original size to create an elegantly delicate aesthetic. The Welles Small Sconce by Kelly Hoppen works perfectly for both wall and ceiling installation, adding a subtle warmth to any space. Kelly Hoppen's capsule collection also comprises of three different sizes of Long Chandelier, a Pendant light and an Arm Sconce.
