

CONJOINED

WITH DESIGN ELEMENTS TAKEN FROM THE MARKS, STREAKS AND BLOBS FOUND ON A DIRTY SCANNER BED, THEN TWISTED ALL UP IN KNOTS, **CONJOINED** IS A PIXELLATED MESS. THE BITS OF NON-IMAGES USED IN THE DESIGNS CAME FROM MY DEVELOPMENT OF A PUBLIC HEALTH ANTI-SMOKING CAMPAIGN AND THE CREATION OF THE DIRTY ATMOSPHERE I WAS LOOKING FOR.

- + HIGH PILE WITH LOW PILE DETAILS. TIBETAN WOOL AND SILK, 150 KNOTS, HAND-KNOTTED IN NEPAL.
- + COLORWAYS ARE NAMED FOR HISTORICALLY NOTABLE CONJOINED TWINS.
