wishbone slab top desk

W21

The wishbone slab top desk is offered in one standard size and available in a variety of veneer and metal finishes. Hardwood veneer longwoods are hand book-matched. All edges are reinforced with solid timber for added durability. An optional ergonomic, adjustable keyboard/laptop pullout with platform in solid timber to match is available. Integrated connectivity and wire management options are available for this product. The wishbone desk is highly customizable in size, configuration, and material for a range of desk or ancillary table applications. Residential or contract use.
