

SILHOUETTE

WALL LIGHT

Silhouette's reductive fluted form is inspired by the archetype of a torch, where the materiality defines the luminance. Designed to provide versatile solutions for interior settings, the Silhouette Wall Light combines the form of the Silhouette Pendant, with its library of beautiful and varied material options, with a minimalist, low-profile mounting bracket.

Silhouette Wall Light can be mounted at any angle and in clusters, providing up-light, side-light and down-light options.
